

Every year, we send out a letter of thanks, which includes a summary of the center's work, for their financial and prayerful support. Among these, we include you all - the people who come to this website, the quiet ones in the background, who have bowed your heads in prayer for us all here at CSCE. This letter is for you!

As we begin this New Year - we would like to take a moment to thank you for your prayerful support over the course of 2014.

Every morning, Dr. Shaver wakes early to pray specifically for God's direction in his life and ministry in addition to the many prayer requests he receives from those who know him as a prayer warrior. And though his schedule may not have been as full this year as it has been in the past, God still chose to use Dr. Shaver, to travel to **18** cities, in **10** states, to share the word with over **3,800** people, teach **41** how to pray, **156** others how to witness without fear, and to pray over nearly **500** who accepted or renewed their relationship with Christ. God also kept Dr. Shaver close to home according to His perfect timing, using him to hold the hands and hearts of **575** mourners with God's word at **4** funerals.

We keep count for the sake of records, and to let you know that the word is still getting out there, but please don't let the numbers intimidate you. We **all** have the power to change a life.

Aside from being an evangelist, Chic Shaver is also a father of three - who worked persistently to instill in his children a deep and abiding love and faith in Christ. As a result, as his son Paul makes his way through one of the most difficult trials of his life, he is sharing the testimony of his most recent battle with cancer with conviction, and in a voice far stronger than the one that was medically taken from him! One father, one son, one amazing testimony.

We are very thankful for the extra step you are taking by your generous prayerful and financial support of the Chic Shaver Center for Evangelism, and know that because of it lives are being changed.
